PREFACE

This student handbook contains information that will inform the student about rules and regulations at Starr's Mill High School. The administration wants this handbook to be a useful tool in explaining the rules. These guidelines help guarantee that the rights and well being of every student will be respected. The administration retains the right to prescribe penalties for violations of guidelines not specifically stated here and to alter any assigned penalties as he/she sees fit. Furthermore, the administration reserves the right to amend any provisions in these guidelines, which he/she deems to be in the best interest of the educational process.

THREATS AND HARASSMENT STATEMENT:

FOR ALL STUDENTS TO LEARN AND GROW, SCHOOLS MUST HAVE A SAFE ENVIRONMENT. CURRENT EVENTS SUGGEST THAT ENSURING SUCH AN ENVIRONMENT IS A TASK WHICH REQUIRES A STRICT, NO- NONSENSE APPROACH TO ANY WORDS OR DEEDS, WHICH REFLECT THE VIOLENCE OF OUR TIMES. STARR'S MILL HIGH SCHOOL WILL REGARD ALL WRITTEN AND/OR VERBAL THREATS, IMPLIED OR DIRECT, TOWARD STUDENTS, STAFF MEMBERS, OR SCHOOL AND STAFF PROPERTY, AS ACTS OF MALICE AND ENDANGERMENT. THE SCHOOL'S DISCIPLINE ACTION WILL BE IMMEDIATE AND SEVERE. INCIDENTS MAY BE REPORTED TO THE POLICE AND/OR SHERIFF'S DEPARTMENT, DEPENDING ON THE SPECIFIC JURISDICTION.

ACADEMIC HONORS

Academic excellence is recognized at the end of each semester. High honor roll may be achieved by those students who have no grade below a 93. Honor roll consists of students earning no grade below a 90. The Principal's List is comprised of those students with grades of 80 or higher (excluding honors group).

ALTERNATIVE SCHOOL

The Fayette County Board of Education operates an Alternative School at LaFayette Educational Center. Hours are from 9:00 a.m. until 2:30 p.m. Placement may only occur as a result of continual discipline problems and/or as an option to expulsion.

ATTENDANCE POLICY

School attendance is critical to learning; therefore, the State Legislator has established attendance laws for the entire state of Georgia.

COMPULSARY ATTENDANCE LAW IN GEORGIA O.C.G.A.

Please note that the state department of education determines which incidents are excused and unexcused under Rule 160-5-1.10

ATTENDANCE – Admit Slips

1. After an absence, a student should give his/her written excuse to the first period teacher who will give the student an admit slip. The admit slip will be shown to each teacher throughout the day. If the student forgets the note, he/she has three days to bring one or the absence will be counted unexcused. A student has 5 days to make up work missed during an **excused absence**. A field trip absence is allowed only one day to make up work. Research papers and major projects are discounted 10% per day for nine days.
2. Unexcused absences prohibit a student from receiving credit.
3. **The state of Georgia and the Fayette County School System** recognizes the following as **excused** for an absence, check-in, or check-out: *See the top of this page for section 160-5-1-10*

ATTENDANCE – Check-In/Tardies

Students should arrive on time to school every day. Students arriving after 8:40am will report to the Attendance Office to check in and receive an admission slip to class. **TARDIES that are considered excused are for (1) illness; (2) a doctor's appointment; (3) a dental appointment; (4) a late bus.** If a student fails to report to the appropriate place for a late pass, it is considered a class cut. Students

will be responsible for bringing a note for each excused check-in by the end of the 3rd day. **Example:** a check-in on Tuesday dictates the proper excuse note must be submitted to the Attendance Office by the end of the day on Thursday. After that time, it will be unexcused. Records will be kept on all TARDIES to school. The fourth unexcused tardy (and each successive) will result in a referral to the administration for a disciplinary action.

Students arriving late to other classes will be dealt with as follows:

- 1st Tardy - Warning
- 2nd Tardy - Teacher Detention (20 Minutes)
- 3rd Tardy - Teacher Detention (30 Minutes)
- 4th Tardy - (and thereafter) - administrative referral

ATTENDANCE – Checking-Out Procedure

1. Bring a note to the Attendance Office **before** school begins. This note must include the student's **name, reason for dismissal, and time of dismissal, must be signed by a parent and must have a phone number where the parent can be reached** for verification. The student will not be allowed to leave unless the Attendance Office can verify the note. Students who plan to check out should stop by the Attendance Office to pick up the check-out slip.
2. Students are not allowed to return to school after checking out unless they have a medical appointment, are appearing in court, or are attending a funeral. Written documentation from the health care provider or the court is required for readmission.
3. Students involved in extracurricular activities must be present in school at least ½ of the instructional school day in order to participate in a school activity that afternoon or evening.
4. Due to the large number of transactions, student check-out on days before holidays is by note only and should be presented to the Attendance Office before school begins. No check-out requests will be accepted by phone.
5. Checking out for lunch is not permitted.
6. Students who are ill should go to the Clinic. Students will not be dismissed without permission of the parent.
7. If a student checks in or out more than ten (10) times during the semester, he/she must produce a doctor's note in the future.

ATTENDANCE – Exams (see also Exam Exemptions) Final exams are an integral part of course requirements for students in the secondary schools of Fayette County. All students will be required to take final exams for courses in which they are enrolled at the time those exams

are scheduled. A schedule of final exam dates will be published with the annual school calendar in order for students and parents to be informed of the exact dates of the exams. Only those students who present evidence of a lawful absence will be permitted to make up an exam. All make-up exams must be approved by the Principal. Seniors with averages below 80 will take final exams. Those with more than five (5) check-ins/outs and/or absences will take final exams. Seniors must meet both criteria to be eligible for exam exemptions. **Attendance exemption is a privilege not a right.** There will be no check-outs during the scheduled exams. Because of the heavy workload in the Attendance Office during exams, no check-outs by phone will be accepted. To check-out, students must return the exam exemption form with a parent signature approving check-out times and dates.

ATTENDANCE – Prearranged Absences

Requests for prearranged absences must be completed and submitted to the administration one week prior to the dates of absence. These forms may be obtained from the Attendance Office. **The student must see the principal before submitting the form.** Approved prearranged absences are designated unexcused. If they are approved, the student may make up his/her academic work. The Principal uses professional judgment in giving permission for these absences based on the reasons stated in the request. Such factors as the educational value of the proposed experience, the resulting personal or family benefit, and the impact of the absence on the student's academic progress will all be considered before determining whether a prearranged absence is approved or unapproved. The absences will count toward the state attendance policy.

ATTENDANCE – Prolonged Absence Due to Illness

The Fayette County Board of Education provides a hospital homebound teacher for students who are absent for long periods of time due to illness. Parents should notify the Guidance Office to request the services of the homebound teacher. In order to qualify for services, a physician must verify in writing that the student will be absent from school for at least 2 weeks. The student is placed on homebound status as soon as the Principal and the visiting teacher approve the physician's recommendation. Parents should contact the counselor's office for more information.

DANCE GUIDELINES

At Starr's Mill High School we want to ensure that our dances remain fun, but also that they are socially acceptable to all students as well as all members of our community. With that being said, students need to be aware that there are certain types of dancing which are simply not acceptable at school sponsored functions. In addition, the state of **Georgia has a statute, which makes some types of dancing in the presence of minors (any person under the age of 18) a violation of the law. The statute reads: 16-6-8: "A lewd caress or indecent fondling of the body of another person..."**

16-12-100: "Sexually explicit conduct" means actual or simulated. "Performance" means any play, dance, or exhibit to be shown or viewed by an audience.

Furthermore, students who do not follow these guidelines will be asked to leave the dance and will not receive a refund. A member of the SMHS Administration will be responsible for enforcing these rules/guidelines and their judgment will be final.

GUESTS

SMHS students and their guests must show valid student ID at the ticket table. All gifted classes are taught by teachers who are specialists in their field and have earned an additional certification endorsement. The secondary program for grades 6-12 offers content area classes, which are both qualitatively and quantitatively different from those in the regular curriculum. To be eligible for the gifted program, students are evaluated in four areas: mental ability, achievement, motivation, and creativity. For information on our gifted classes please contact Mrs. Sandy Martin, Assistant Principal.

GOVERNOR'S HONORS

The Governor's Honors Program is a challenging, academic summer program for high school students. They take courses in specific academic areas as well as in high interest or elective areas. These courses are taught by master teachers with exceptionally strong backgrounds, but also with wide-ranging interest and general interdisciplinary approach to teaching. Governor's Honors serve rising juniors and seniors statewide who are extremely capable and highly motivated and who demonstrate a firm commitment to a particular academic area. GHP reviewers, in their search for students who have gone beyond the expected and the required, assess both past performance and present level of interest. In addition, nominees must have taken the PSAT in order to qualify. Students who attended Governor's Honors in the past are ineligible.

Students should not yell, scream, hit lockers, make excessive noise, or engage in horseplay during class changes. Students should keep their hands to themselves, walk directly to their class in an orderly manner and enter their classroom upon arrival. Hall passes are necessary in the a.m. before school begins. Running in the halls will be a discipline issue.

HOMEWORK ASSIGNMENTS—(REQUEST DUE TO ABSENCE)

If a student misses more than three consecutive days of school, then he/she may request homework assignments by calling the Guidance Office. Keep in mind that the Guidance Office needs 24 hours notice to get the assignments from the classroom teachers. Parents may pick up the assignments after the notified time. (Ex. – assignments requested Monday a.m. may be picked up Tuesday a.m.)

IDENTIFICATION CARDS

Identification cards are issued at no cost for students. It is the student's responsibility to have this card at all times and at all school-sponsored activities. ID cards must be produced when requested for identification purposes, for internet access permission, and for media check out privileges. Lost cards may not be able to be replaced but if they can be all costs associated with replacement will be passed on to the student.

IMMUNIZATION

Every student must have a current Georgia certificate of immunization on file with the Guidance Office prior to admission as specified by the Georgia Department of Human Resources. 1. School day coverage-from the time the bus picks up the student until it takes the student home.
2. Twenty-four hours coverage

LOCKERS/AGENDAS

Lockers and agendas will be sold at a fee of \$10.00 which is non-refundable. Lockers will be assigned to students during the first week of school. Guidelines for use of school lockers are as follows:

1. Each student should use only one locker. Placing books in a non-assigned locker conveniently close to a classroom may result in lost books for which students will have to pay in order to receive a schedule for the next semester.
2. The installed locks should be used on the locker to keep personal items safe. Additional locks are not allowed on the locker. The school is not responsible for losses of books, notebooks, gym clothes, etc., from lockers whether they are locked or not locked.
3. Money, jewelry or other valuable items should never be placed in lockers or brought to school unnecessarily.
4. Supervised locker clean-outs will be scheduled periodically throughout the year.
5. New students enrolling after the first 2 weeks will be assigned lockers by the Assistant Principal's office as they become available.
6. If a student has a locker problem, he/she should contact Ms. Watkins in the front office.
7. Student lockers are school property and remain at all times under the ownership of the school; however, students assume full responsibility for the content of their lockers. Periodic general inspections of the lockers may be conducted by school authorities at any time without notice, without student consent, and without a search warrant.
8. Students are not allowed to go to their lockers during lunchtime.

LOITERING IN RESTROOM

Loitering in restroom or multiple occupancy of a restroom stall may result in ISS.

LOST AND FOUND

All items lost or found should be reported or brought to the Main Office. Students should never bring large or unnecessary sums of money or valuables to school; the school cannot assume responsibility for personal loss. Each student is responsible for the textbooks and other educational materials assigned to him or her.

MEDIA CENTER

The administration, media center staff, and faculty want the Media Center to be a vital part of your educational development.

1. The media center will be open daily for use during school hours, 8am - 4pm, including the lunch period. To visit the media center during class, you must have a media center pass. When you arrive, you are responsible for checking in with the media specialist. You also are responsible for getting the pass signed before leaving the media center and returning it to your teacher before the end of the period.
2. You will need your school I.D. card to check out materials. If you lose your I.D. card, let the media staff know so you will not risk someone else checking books out with your card. A \$5.00 fee will be assessed for an I.D. replacement.
3. Most media center materials may be borrowed for two weeks and then renewed one time for two additional weeks if still needed; reference books, reserved books, periodical, and vertical file materials are overnight materials and are due before the first period of the next school day. Overdue notices are sent to your school email address, but as always, you are responsible for checking the due date stamped in the back of the book to return items on time.
4. A late fee of twenty-five cents (\$.25) per day will be charged for overdue books from the general collection. (No late fee will exceed 80% of the cost of the book.) If you are in ISS when materials become due, you are responsible for renewing or returning the items on the day through the ISS supervisor to avoid late fees. If you have an overdue item or late fine, you will not be allowed to check out other materials or renew materials until you clear your obligation. Reference materials will be assessed a \$1.50 late fee per day. Reference materials will not be checked out until the end of the day and are due before first period the next day.
5. In the event of a lost book, you must pay the replacement cost plus a \$5.00 processing fee. If the book is later found and returned to the media center, all money will be refunded except the amount of any late fee that you might have incurred up to the time of payment.
6. To make copies, students need to purchase a copy card for \$2.50. Cards are preloaded with ten copies, and they can be reloaded with ten copies for \$1.50.
7. The media center's online research databases - GaleNet, World Geography, and GALILEO - may be accessed from home at <http://sites.google.com/site/smhsmediacenter>. The password for GaleNet and World Geography is panther1. The GALILEO password changes every three months and is available from the media specialist.
8. The media center sells select school supplies, such as pencils, poster board, tri boards, note cards, and more, for a nominal fee. You may purchase items at the front desk during school hours.

9. You will be expected to allow a media specialist to check all materials carried from the media center. If you have food or drink in the media center, if you act in a disrespectful or in a disruptive manner, or if you are destructive to the media center materials or furniture, you are subject to disciplinary action ranging from detention to administrative referral.

MEDICATIONS

All prescription and non-prescription medications must be brought to the Main Office in the original container with written instructions for administration. For prescription medications a duly licensed physician must complete and sign the School Medication Authorization Form, and it can be faxed to SMHS at 770 486-2716. Students should go to the clinic between classes to take medication unless special arrangements are made with the administration for a student to leave class.

1. Parking on the main campus will be reserved for faculty, staff, visitors, and students **with permits only**. Students who purchase permits will sign and be given a copy of regulations and expectations for parking on campus. The driver must adhere to these regulations or risk losing his/her permit.

2. Permits may be purchased during designated sale periods prior to school or in the main office before school, during lunch or after school until 4:00p.m. Proof of ownership, proof of insurance and driver's license must be shown at the time of purchase. Permit prices are set by the county and are \$60.
3. All cars parked on the campus must be registered. **DO NOT** leave a note on your car. Vehicles without permits that park on the campus will be booted at the owner's expense on the 3rd parking violation. Students whose permits have been revoked have no warnings issued. Records kept by the school will be the official documentation to determine the number of violations. Permits, which are revoked, will be destroyed. A \$5.00 fee will be assessed for a replacement.
4. Sale or transfer of permits between students or to any other vehicle is prohibited.
5. All vehicles on campus are subject to search by administration at any time regardless of permit possession or status.
6. Neither the school, nor any staff member will be responsible for damage to car locks or batteries if a student or parent makes a request for help.
7. For safety of all students, a 10-mph speed limit will be strictly enforced on campus. Reckless driving will result in loss of parking privileges at the school. (No warning will be issued).
8. Students who have purchased one parking permit, but may drive multiple vehicles, may purchase a permit for a second family car at the cost of \$5.00.
9. Students are completely responsible for any of the contents of any vehicle they are driving on to campus at any time.

Parking warnings may be issued as follows:
